### **Joe Figueroa**

A professional dancer since his teens, Joe Figueroa has pushed the boundaries of the dance world with his exciting and innovative style of freestyle salsa.

Joe began his career as a professional dancer for MTV Studios, and his unique style and talent quickly secured his reputation in New York City. Joe's extensive background in Freestyle, Pop and Hip Hop ultimately led him to work with legendary choreographer Jamie King, who has choreographed for an impressive array of stars including Britney Spears, Shakira and Madonna.

In 2000, this accomplished artist and choreographer transitioned his passion and talent to the art of salsa dancing and quickly became a prominent figure on Philadelphia's burgeoning salsa scene with his unique body movement and choreography. Joe combined his extensive knowledge of dance and creativity to develop a distinctive style of salsa dancing known as "Philly Style Salsa" — an explosive salsa style that combines smooth moves with sharp, complicated turn patterns. This unique style has earned Joe the reputation of the hottest salsaero on the East Coast.

When women are asked what Joe's greatest ability is, they respond by saying, "He can lead any woman at any level and make her feel like the queen of the dance floor."
